

10 REASONS WE ARE ORACLE'S GLOBAL SPECIALISED PARTNER OF THE YEAR FOR SAAS CLOUD TRANSFORMATION

01 EXCELLENCE

We're the best at what we do – Global, EMEA and UK Oracle Specialised Partner of the Year for SaaS Cloud Transformation.

PIONEERS 02

We successfully delivered the first Oracle Cloud multi-country roll-out.

03 TRACK RECORD

Established in 2006, we have over 10 years' experience in Oracle Applications and Technology.

EXPERTISE 04

Our in-depth knowledge of and exclusive focus on Oracle Applications and Technology is the cornerstone of our success.

05 CUSTOMER FOCUS

Customers who come to Inoapps, stay with us. Our first customer is still a customer over 10 years later.

INNOVATION

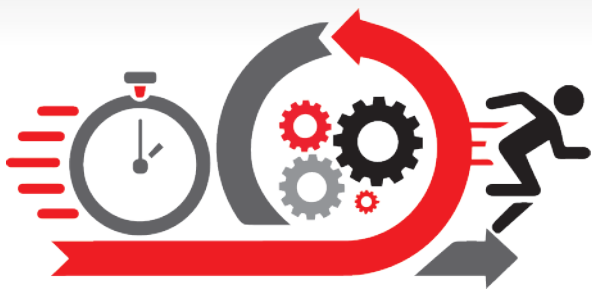

Our dedicated products division is constantly coming up with new ideas to add value for our customers.

GROWTH

We're continually expanding our global capability across the UK & EMEA, the US and ASEAN.

AGILITY

We're big enough to handle global projects but agile enough to respond quickly to the changing priorities of our customers.

TEAMWORK

We have a strong, visionary leadership team and fantastic people across the business who listen to our customers to make ideas work.

PARTNERSHIPS

As well as our longstanding relationship with Oracle, we have a range of value-adding partnerships with companies offering solutions which will help you to get the most from your Oracle Cloud investment.

WE DON'T JUST
TALK THE TALK

We adopted Cloud Financials, HR and EPM ourselves in 2013 and we know from first-hand experience how to make your implementation work for you.
